

Fakaalofa lahi atu.

MY NAME IS VIOLET FAITALA

I have a great respect for all denominations. I am Niuean and I have worked in teaching for 20 years. I ultimately believe that children are a gift from God and should be treated with love and respect.

ABOUT ME

I have been married for 30 years and have 5 grown up children and 10 grandchildren. I first started with home-based education when I was looking after my own grandchildren. My hobbies include sewing and craft making and I really enjoy baking. I also enjoy writing stories, dancing and music.

MY GOALS

I will offer children in my care the opportunity to learn about different cultures/language in a home-based environment for their first learning experience. I like being in a position to help parents by offering a service more suited to their busy schedules. I was also a youth worker for 10 years, and I aim to provide a happy learning environment following the Te Whariki curriculum. I offer a grandmothers perspective of teaching principles and Pasifika family values.

MY ACTIVITIES

As part of our daily routine I like that we are able to attend Pasifika Family activities and also enjoy visiting other playgroups in the area. We do lots of crafts and I have plenty of resources for learning based activities.
